To

Board of Directors of Swaika Vanaspati Products Limited

1. We have audited the quarterly standalone financial results ('the Statement') of Swaika Vanaspati Products Ltd. for the quarter ended 31st December 2019 , attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the quarter ended 31st December 2019 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures between audited figures in respect of the full financial year and the published year to date figures upto the end of the quarter of the relevant financial year. Also, the figures up to the end of the first quarter had only been reviewed and not subjected to audit. The Statement has been prepared on the basis of quarterly financial statements and which are the responsibility of the Company's management. Our responsibility is to express an opinion on the Statement based on our audit of such standalone financial statements, which have been prepared in accordance with the recognition and measurement principles laid down under Section 133 of the Companies Act, 2013 ('the Act') read with rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India and in compliance with requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, *except for the matter as described in the Basis for Qualified Opinion paragraph.*
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.
3. **Basis of Qualified Opinion**

Refer Note No. 4 to Quarterly Result regarding non-accounting of gratuity liability amounting to Rs. 16.11 lacs, which is payable as per Memorandum of Settlement entered into with workers in an earlier year. The same is not in accordance with Accounting Standard 15 – Employee Benefits. Had the above liability been considered,

4. In our opinion and to the best of our information and according to the explanations given to us, *subject to our observation stated in Para 3 above*, the Statement:
- (i) is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
 - (ii) give a true and fair view of the net profit and other financial information for the quarter ended 31st December, 2019.

5. Emphasis of Matter

We draw attention to the following matter in the Notes to the quarterly result:

- (i) Note no. 2 regarding balance of excise duty including on usages of minor oil and CENVAT credit amounting to Rs. 163.03 lacs which is considered good of recovery by the management for the reasons stated in the said note, although excise duty on Vanaspati has been reduced to nil in an earlier year
- (ii) Note no. 3 regarding non-provision of sales tax advances amounting to Rs. 21.75 lacs, which are outstanding for long & subjudice and considered good of recovery by the management.

Our opinion is not modified in respect of these matters.
